

## Regional 2010 Conference Talent Show

You are invited to participate in our talent contest to be held at the conference. We will have prizes for First, Second & Third places.

So now is the time to start organizing your groups, duos, trios or just yourself. You will need to supply the music (CD's, etc) to us.....we will have the CD player, etc. You can do singing, dancing, juggling, read a poem or what ever you want to surprise us with.

We are looking forward to seeing your talents. Additional details will be sent in the near future.
