

Your sponsorship and support enables GSIP to serve its mission in the following three critical areas

- providing opportunities for professional education in the industry
- creating an environment to build valuable business alliances, and
- encouraging personal growth through our leadership programs and the chance to mentor and be mentored by persons of differing career paths within the industry

You may access our website at [www.gsipi.org](http://www.gsipi.org). Be sure to note the upcoming events we have on our website. As a Corporate Partner you are invited to participate in any of these activities. You can access any of our programs on the "Calendar of Events".
